In the not-too distant future, corporations and governments merge to form the one world government (Cor-Gov) called Viza-Nation. Elections held every four years fill the highest office in the world, that of Chief Executive Officer. The electoral process is simple- consumers send money to the candidate of their choice and the candidate with the most money wins. But on the first night of the election, hackers plunder consumer accounts, stealing money and the election. Dirk Paine, an intelligence officer from Cor-Gov Security, must investigate and bring to justice those responsible for the voter theft while preserving the integrity of the electoral process. Dirk soon discovers the source of the attack originates from the most unlikely place imaginable, a ghetto called Serf City, inhabited by genetically altered humans who will do the work no Sapien wants to do. These human-aliens, called tweeners, have a secret so terrifying to Cor-Gov that it will stop at nothing to keep the uprising suppressed. An Extraordinary Rendition is the first book of a three part trilogy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
