For the first time in my life, we began to genuinely communicate on the most fundamental level-spirit to spirit. I discovered what a truly remarkable being he was. Or should I say, is! Because I know now that there is life after death, and it makes me feel so happy to know he s still around. Does that sound weird? Well, it isn t. At least, not for me. Find out what happened to my father after he died, and what it was like for him on the other side. It s a fascinating and inspiring story. It may help you to discover the angel inside of you. I Love You Dad Touches Lives I want to thank you for writing the book I Love You Dad, it was such an inspiration to me and it allowed me to easily release my fears and doubts. I cried a few time in the book, tears of overwhelming joy. -Mandy Moore, Australia I think you are really onto something here with your daily walks, they have touched me at the soul level and I wanted to thank you. -Jody S., SP/CC Manager I am really enjoying your walks with your dad; I am fascinated by everything he tells you, and so grateful to you for sharing it. -Julia F., U.K.
