Reviews

This is actually the very best pdf i have read through right up until now. This really is for those who statte there was not a well worth looking at. Your lifestyle period is going to be convert as soon as you total reading this article publication.

(Margaretta Wolf)

WORKING WITH EMOTIONAL INTELLIGENCE

Bantam. Paperback. Book Condition: New. Paperback. 400 pages. Dimensions: 8.1in. x 5.3in. x 0.9in. Do you have what it takes to succeed in your career? The secret of success is not what they taught you in school. What matters most is not IQ, not a business school degree, not even technical know-how or years of expertise. The single most important factor in job performance and advancement is emotional intelligence. Emotional intelligence is actually a set of skills that anyone can acquire, and in this practical guide, Daniel Goleman identifies them, explains their importance, and shows how they can be fostered. For leaders, emotional intelligence is almost 90 percent of what sets stars apart from the mediocre. As Goleman documents, it's the essential ingredient for reaching and staying at the top in any field, even in high-tech careers. And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future. Comprehensively researched, crisply written, and packed with fascinating case histories of triumphs, disasters, and dramatic turnarounds, *Working with Emotional Intelligence* may be the most important business book you'll ever read. Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations, Goleman documents an astonishing fact: in determining star performance in every field, emotional intelligence matters twice as much as IQ or technical expertise. Readers also discover how emotional competence can be learned. Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world. He also provides guidelines for training in the emotionally intelligent organization, in chapters that no one, from manager to CEO, should miss. *Working with Emotional Intelligence* could prove to be the most...
