Most people in organizations tend to manage projects either as realists or humanists. **You Dont Have to Do It Alone** brings together the practical view of the realist and the people-oriented view of the humanist, combining the best of both approaches into one role: the Pragmatic Involver. Covering everything from solving a nagging long-term problem at work that could save a company millions of dollars, to launching a community movement to improve local schools, the book shows how involving others in a project while maintaining ones focus on the nuts-and-bolts details can make big things happen. Using the authors six major questions - each of which is explored in detail - **You Dont Have to Do It Alone** shows how success can be attained in a project on any scale, from redesigning a manufacturing process at a paper mill to creating an effective youth center. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
