PABLO ESCOBAR: EL PATRON DEL MAL

Aguilar. Paperback. Book Condition: New. Paperback. 344 pages. Dimensions: 8.4in. x 5.7in. x 0.9in. De Pablo Escobar, el famoso narcotraficante colombiano, hemos oido hablar miles de veces por su infinita capacidad para ejercer el mal, que llevo a organismos como la DEA a calificarlo como uno de los mas grandes criminales de la historia. Sin embargo, poco se habla de sus origenes familiares y sociales, de sus dimensiones humanas y de la manera como su personalidad fue evolucionando hasta llegar al desbordamiento. Alonso Salazar J. se sumergio en archivos y busco testimonios ineditos de familiares y vecinos, de amigos y enemigos, para entrelazar en un intenso relato, sin maniqueismo, versiones diversas y contradictorias que al final construyen un retrato mas completo del personaje. Asi, a lo largo de esta historia, Escobar aparece a veces como un guerrero que despertó la admiracion de sectores excluidos que lo consideraron un heroe, y otras, como un villano que hizo de la muerte un negocio, y luego la amplio, con el terror indiscriminado, para someter al Estado y a la sociedad. Aqui se presentan dimensiones intimas, cuadros complejos y humanos, de un hombre que buscaba desesperadamente identidad y reconocimiento, y que amo a su esposa y a sus hijos hasta perder la vida por ellos. Tambien encontramos una radiografia donde Escobar deja de ser un personaje brotado de la nada para convertirse en producto, por un lado, de una sociedad, como la colombiana, plagada de conflictos historicos y, por otro, del gran negocio del final del siglo XX: el trafico de cocaína. Description in English: Today, the name Pablo Escobar is synonymous to violence. We have all heard thousands of stories of the infamous Colombian drug lord s multi-million dollar enterprise and his infinite capacity for brutality. Very little is known, however, of his origins...
