ROSEZINDA: RIDING RAINBOWS (PAPERBACK)

iUniverse, United States, 2003. Paperback. Book Condition: New. 206 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****. Rosezinda: Riding Rainbows is a fanciful tale that literally starts out with a bang! Within seconds of being struck by a speeding van, Cora, a plucky outspoken 13-year-old, is taken on the thrill ride of her young life. Arriving in a new reality called E and renamed Rosezinda, she encounters a collection of colorful individuals who take her on a series of hair-raising adventures. This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending. I didn't want to put it down until I had read the last word; even then, I found myself turning the page, wanting more. The evocative imagery and eccentric characters are worthy of a Spielberg movie (especially the wonderful basketball game, which is unlike any basketball game the reader could ever imagine)! Though the story's intended audience is children--who I believe will be entranced by it--it may be enjoyed on multiple levels by older readers. Parents may wish to read Rosezinda: Riding Rainbows with their children and discuss some of the provocative questions it brings up. I'm anxious to read more of Rosezinda's adventures! I applaud Parker on his originality and creativity. --Linda R. Thompson, Ed.D., Director of Student Support Services, Harding University, Arkansas John Parker's book is exciting because it includes the things that are important in life. When I grow up, I will make a movie out of it if there isn't one by then. --12-year-old Alex in grade six, Vancouver, BC. Parker has created a wonderful magical world that is totally against the reader's perception of reality, but which seems entirely plausible. --Monique Trotter, Raincoast Publishers I...
