

## Teaching Disability Sport-2nd Edition: A Guide for Physical Educators (Hardback)

By Ronald Davis

Human Kinetics Publishers, United States, 2010. Hardback. Book Condition: New. 2nd. 279 x 221 mm. Language: English . Brand New Book. This new edition of Teaching Disability Sport: A Guide for Physical Educators is loaded with five new chapters, more than 200 games and skills, and everything that future and current teachers need to plan and implement sport skill-related lessons in an inclusive physical education program. Published in its first edition as Inclusion Through Sports, this rendition places greater emphasis on preparing future physical education teachers to use disability sport in their programs. It offers instruction on the various aspects of disability sport, how to teach it, and how to improve programming for students, regardless of ability or disability. This new edition includes the following features: - A DVD that contains video clips of activities as well as assessment forms and other reproducible forms - Templates for and guidance in creating individualized education programs (IEPs), lesson plans, assessments, and unit plans - One new sport chapter (on boccia) - Four new chapters discussing how to use the achievement-based curriculum (ABC) model to integrate disability sport into physical education classes This book and DVD package is the ideal resource for physical...

### Reviews

*Thorough information! Its this sort of good read. It is actually written in straightforward words rather than confusing. I am just delighted to let you know that this is basically the best book we have read within my personal existence and can be the greatest pdf for actually.*

-- **Dr. Henri Crona II**

*The ideal ebook I actually study. It usually does not expense too much. You won't really feel monotony at any time of your own time (that's what catalogs are for relating to should you request me).*
