

Addicted Nurses: Healing the Caregiver (Paperback)

By Dr Richard L Travis

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Nurses touch all of our lives with their skills, compassion, time, and energy. They are the ones that spend the time with us explaining what the physician didn't take the time to tell us. They are the ones we see and get to know, even better than our personal physicians. They are called angels and healers. They are truly the caretakers of our health and the gateway to our healthcare system. Nurses however, are humans too. They work hard in an occupation that is filled with stress and great responsibility. They have families and responsibilities like everyone else. And now it seems, that we have found that nurses have the same addictive behavior as the public. Yes, approximately 10 of all nurses are abusing drugs or alcohol, just like the public sector. That means that one out of ten nurses are probably impaired some of the time they are taking care of us. They are medicating their stressors the same way the general public does. This book explains addiction and drug abuse, the types of drugs commonly...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
