I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Patricia Alarcon Missler was born in the sleepy south Texas border town of Brownsville. She is a first-generation Mexican-American. Fortune-telling gypsies in a cave bar. Don t look back, we re being followed. The college daze in Austin and more. Readers from diverse backgrounds will relate to these poignant stories, which transcend cultures.
