BRAND NEW, Design Grow Sell: A Guide to Starting and Running a Successful Gardening Business from Your Home, Sophie Davies, This book is aimed at garden lovers and anyone keen to turn their gardening talent into a business. It's for those who, while stuck in an office, have always dreamed of making a living outdoors, for second career-ers who have a flair for gardening and want a job that makes them happy and for anyone who would like to combine a love of plants of gardens with the freedom of being their own boss. Uniquely, the book looks at the diverse opportunities that exist in gardening, from running a nursery to building a garden maintenance business, and from training to be a landscape designer to writing about gardening for a living.
