This practical, thought-provoking book presents a new paradigm for children's ministry in the emerging 21ST century and explores how churches are currently putting that vision into practice. Advocating the need to regard children as full participants in their faith communities, the book provides strategies for building intergenerational community where children feel they belong and have the opportunity to serve. Editorial Reviews Review 'You'll learn that preschoolers can learn to worship, how to develop family and intergenerational worship, and how to include children fully in the church community. This is a great study for church leadership.' -- YouthWorker Journal (YouthWorker Journal) From the Back Cover This practical, thought-provoking book presents a new paradigm for children's ministry in the emerging 21ST century and explores how churches are currently putting that vision into practice. Advocating the need to regard children as full participants in their faith communities, the book provides strategies for building intergenerational community where children feel they belong and have the opportunity to serve.
