By Harvey Washington Wiley

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Record of Experiments at Fort Scott, Kansas: In the Manufacture of Sugar From Sorghum and Sugar-Canes, in 1886 The results of the experiments made at Ottawa last year gave encouragement to the friends of the sorghum sugar industry, and led to the undertaking of a new series of experiments at Fort Scott. The Department of Agriculture entered into the following agreement with the Parkinson Sugar Company at Fort Scott: Agreement Between The Commissioner Of Agriculture And The Parkinson Sugar Company Of Fort Scott, Kans. The Commissioner of Agriculture agrees to erect at the works of the Parkinson Sugar Company of Fort Scott, Kaus., one diffusion battery with all its appliances; three cane-cutters, one of which shall have a horizontal cutting disk, with appliances for feeding the cane to the same, and elevators for delivering the chips to the cells. He further agrees to erect one carbonatation apparatus, to consist of a lime-kiln, carbonic-acid pump, four carbonatation tanks, and four filter-presses, with all their connections; also one sulphur apparatus, consisting of two sulphur furnaces, three saturation-tanks,...
