In a grey, permanently overcast city in South America, a child is born with a gap in his chest; a heart that is open to the world. To most, it appears to be a weakness. It is in fact a gift. Sole heir to a wealthy sugar plantation, his totalitarian father tries to force him to follow the family tradition of administering their slave-run empire. Having to run for his life and freedom. Escaping to the Andes, fate leads him to a mystical Inca shaman, who teaches him how to follow his heart and his inner voice. He is confronted with the decision; to have a heart that bleeds forever, or choose the path where there's no more bleeding - even if it means death. He discovers that nothing is impossible, and that living with an open heart is not weakness, but a gift to the world.
