

Reason, Faith, and Revolution: Reflections on the God Debate

By Terry Eagleton

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Reason, Faith, and Revolution: Reflections on the God Debate, Terry Eagleton, Terry Eagleton's witty and polemical Reason, Faith, and Revolution is bound to cause a stir among scientists, theologians, people of faith and people of no faith, as well as general readers eager to understand the God Debate. On the one hand, Eagleton demolishes what he calls the "superstitious" view of God held by most atheists and agnostics and offers in its place a revolutionary account of the Christian Gospel. On the other hand, he launches a stinging assault on the betrayal of this revolution by institutional Christianity. There is little joy here, then, either for the anti-God brigade-Richard Dawkins and Christopher Hitchens in particular-nor for many conventional believers. Instead, Eagleton offers his own vibrant account of religion and politics in a book that ranges from the Holy Spirit to the recent history of the Middle East, from Thomas Aquinas to the Twin Towers.

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**

Basically no phrases to spell out. It is actually really interesting through studying time. You can expect to like just how the article writer created this publication.
