The Government of the State of New York (Classic Reprint) (Paperback)

By James Sullivan

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Government of the State of New York In the study of civics in our schools there is usually such strong emphasis laid on the National government that the student comes to think that the State government is of very little importance. This fact has led and is leading the public at large to regard the State as scarcely anything more than an administrative unit like the English county and the French department. Men of learning and prominence regard with equanimity the gradual encroachment of the National upon the State government. That men in general do not object to the increasing assumption of powers by the National government may be in part attributed to the training which they receive in the schools. Whether such assumption of power is good or bad is of course debatable. No one will deny, however, that it is contrary to the spirit of our institutions. The reduction of our States to mere divisions for administrative purposes was something never contemplated by the most ardent Federalists. With the hope of counteracting...

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

-- **Noble Hagenes**

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

-- **Dr. Willis Walter**
